

Christmas Meeting Update

The above photo gives an idea of the great Christmas meeting we all had at the Cedar Court Hotel.

The room had been set out in a spacious setting with Christmas decorations and music and the tables were very well laid out for our meal.

The service, food and location were very good and there was a few adjustments to my belt as the meal progressed.

Leena had organised a great raffle and had also arranged a quiz that had been left on each person's table to be completed as we were talking and eating. It was a really good fun idea.

Unfortunately our table did not win, but we all got a chocolate coin anyway!

We had plenty of time to eat our meal, have the raffle and catch up.

A great afternoon and thanks to all those who were able to attend.

The photos are all on the web for a look at and are also on Facebook.

A big thank you to Leena for organising this new venue and to all members who donated raffle prizes.

We raised £150.00! – thanks everyone.
